“ * Forever In Your Heart *Feel no guilt in laughterHe knows how much you care.Feel no sorrow in a smileThat he's not here to share.You cannot grieve foreverHe would not want you to,He'd hope that you would carry onThe way you always do.So talk about the good timesAnd the ways you showed you cared.The days you spent togetherAll the happiness you shared.Let memories surround youA word someone might say,Will suddenly recaptureA time, an hour, a day-That brings him back as clearlyAs though he was still here.It fills you with the feelingsThat say he's always near,For if you keep those moments-You will never be apart.Memories live forever,Safely locked within your heart.May you and your family be comforted at this timeLove you Maggie
