“ *Sir I have nothing but respect for you sir and your service to this country. You are in inspiration to me and others who served in Vietnam. I served two tours in Vietnam with the Marine Corps grew to have a new understanding of what being a veteran meant. I have always held the WWII and Korean Veterans in high regard. Thank you sir for your all your years of service to this great country of ours. I work in Hospice at the VA Hospital in Lake City and was given an article stating you were the first volunteer. I read it and inspired to write you. Rest in peace Sir,,,rest in peace and thank you.*
