“ *I have many great memories of Billy when we were growing up, of course my brother Tom was closer to him but, he had a way of bringing joy and laughter into your life. He is now in the arms of the Lord and at peace in every way. My heart goes out to his parents in the loss of their child and also for my cousin Cathy in the loss of her brother. God's peace. P.S. I decided to add a flag instead of a candle because Billy always loved the National Anthem. I think of him every time I hear it.*
