“ *In loving memory of the best father in law a man could ask for. He lived life on his terms and I kept my promise and never gave his daughter back.*

“ *Our family would like to thank everyone who has been so kind to us during this sad time. Your thoughts and prayers have meant more to us than you will know. People keep offering to do kind things for us, and we do appreciate it. But, we as a family ask that donations in dads name be made to "The American Lung Association" instead. It would mean so much to us. Please feel free to contact us. Jeanette*
