Charlotte Baird, age 93 went home to be with our Lord on March 29, 2019 surrounded by her family. Charlotte was born in Fort Edward, New York. Charlotte was one of five girls of Oliver and Emma Roberts. Her sisters were Helen, Leona, Lillian and Norma. She met her husband Walter Baird of Cobleskill, New York. She loved music, loved to dance and even passed her love of music on to her children. She taught her sons Walter III (Sonny), Paul and Mark how to play guitar. She loved family get-togethers and always wanted to help plan the menu for family parties. There was never a shortage of good food and music and her laughter, which could be heard by everyone. She opened her heart and home to all of her family and friends and was known for her immaculate housekeeping. One of her favorite hobbies was going through the newspaper and mapping out garage sales. She was very dedicated to her faith and loved our Lord. She spent time every day in prayer for her family and preparing herself for her journey home. “ I am thankful that I had the opportunity to get to know Charlotte, to see how proud of her family she was, to learn about her love of music and of God. I lift the entire Baird family up in prayer for healing and to receive the peace of Christ, the love that knows no bounds. In loving memory, I pray . . .

“ My life here will not be the same without my Ma. I have so many fond memories. Some so happy, so funny, so respectful of everything she did for me throughout my life. When I was so sick and didn't know what the outcome was going to be for me, she would drive every day from her house to mine to sit with me all day. She would sit over me and pray, then go in my kitchen, cook dinner before going home to cook and take care of things at home. She raised me in Faith and Love of the Lord. I was one of her garage/yard sale buddies. We spent countless times out together looking for the next deal. Always followed by going out to breakfast. As a small child she got me involved in dance. My first dance lessons were with her long time dance friend. From there on Ma and I never stopped dancing together no matter what the event. I will miss you my dear Mother. Until I see you again. Then we will dance on streets of gold.

“ There is so much to say about my mother Charlotte that I dont know where to begin. Thank you mom for giving me the gift of life and loving me and all of us unconditionally. Thank you for all of the laughter and good times, and thank you for being my rock whenever I was down. You made it clear that next to the Lord, your family was the most important thing in the world to you. Thank you for the music. I thank God every day that he chose you to be my mother. You taught us the importance of prayer. Ill be praying to God for him to help us heal our broken hearts that you are no longer here with us on this earth. Until the day we are all reunited once again in paradise, I love you Mom.
