“ Chaz was the first friend my brother (Sayeed: in the middle) and I (Sharvee: Far right) made in America after we immigrated here to America. We were the best of friends. A friendship that only comes once in a lifetime. We used to play outside together every day. Hanging out in his fort in his backyard was a daily thing. We used to make Paratroopers out of his toy army men tied to plastic bags and sling them in the air. We used to beat each other up bc our older brothers would tell lies to us just to watch us fight lol. Most importantly....Chazs favorite drink growing up was Coca Cola. My parents used to keep a 12 Pack of Soda in our house just for Chaz bc thats all he would drink. Chaz has a special place in the hearts of mine and all my family members. I have uploaded a photo that was taken by Donna when we were little and shared every reunion between us to reminisce on. It will be kept forever to live in Chazs spirit for Easton. We love you Chaz and we will forever miss you. Love you!!
