“My mother in law was a caring person. She would stay up late with me and talk. Her smile would like up a room. She had a awesome sense of humor. She was amazing. RIP.

“My mother in law Cheryl was not only my mother in law but like a real mother to me. She would take the time to listen to me and talk for long hours with me. We'd talk to long we'd fall asleep on each other. She had an incredible sense of humor and a smile that lit up a room. She had a beautiful soul. Im so glad God put her in my life and allowed me to share her life as well.
