“ Since the day I have known Christie she has been the most caring, loving person there is. She even taught me a thing or two about makeup and hair, something I knew nothing about but think about everyday I put my makeup on. When I heard about her passing I thought to myself this is not the Christie I knew its gotta be somebody else. It took me awhile to sink in but when It did, I went a sat and looked threw all my pictures I had. Thinking about all the good times and what a beautiful person that has called home so young. I am so sorry for y'all's loss, she will be dearly missed!!! Love you Christie!!!!

“ I cannot say how much Christie will be missed. I loved her like my own daughter. Christie brought so much joy and sunshine to myself and my famiy's life. She came to the farm and always wanted to help. Loved being around our horses. Christie was the most thoughtful person I knew. She always put herself last. My son Bo King loved Christie so much and she has a very special place in all of my family's hearts. I have great memories and pictures of Christie and I will always hold her close to my heart.
