“ *Peyton, I have already sign but I am not sure if it made it. So I am going to sign again. Mama Chris was a very special lady and she loved you dearly. Don't ever forget that. The first time I met you and mama Chris I knew there was a special bond between you and her so don't forget those memories. I will never forget her driving her Mustang with her roof down in car rider line at the primary school. She loved to make those mufflers sound. She was a great lady and will be miss. Remember you and mama Chris will always hold a special place in my heart. Love, Coach Jan Allen Bleckley Primary*
