“ My most sincere condolences to all the family especially to Jamie. Your Mom was so friendly to me always. Every time we ran into each other we would stop and talk just like time had not lapsed and we were talking about Jamie in the classroom. She was forever positive and had a smile. I will miss her. She was a very special, warm and loving person. May God comfort each of you and allow you to treasure her beautiful memories always. Maria Neeley, one of Jamie"s teachers

“ Kevin, Jamie & Family: I am so saddened at the thought of your loss over this untimely passing of your wonderful Mom. I just remember her coming to see me at Forest, always so sweet & supportive of her children. She was a humble, kind lady who really modeled "Motherhood" at its best! Her boundless love will live in your hearts forever. Please know I keep you in my heart during this sorrowful time. God Bless!

“ Rick, Kevin, and Jamie, Im so sorry for your loss! Chris was a loving, giving, dear friend! We were walking buddies at Jersey Gant for many years. I remember the joy she expressed when she saw the newborn pictures of her first grandchild, Caroline, on her phone during one of those early morning walks. She loved her family deeply!

“ So sad to hear of the passing of our dear Chris. She was a precious friend. Our early friendship was at Ocala Christian Women's and then several years in bible study together. Our later times together were so special even tho they we mixed in with time with grandchildren that she loved so dearly and then with retirement and lots of travel with Rick, which was so special to her. May you all feel God's peace and comfort as you travel through this difficult season. God Bless you. Eve Booth

“ A shock to have read that Chris had passed away. My friendship with Chris began around 2005 when we worked together with the Ocala Christian Women. She would pick me up in one of Rick's latest car purchases and we would go off to a meeting together. And another time after they had remodeled a home at Ormond Beach she invited me and my son, Jim over to see it so he could get some ideas for his AZ home kitchen renovation. They made us very welcome. I have some good memories of my friendship with my dear friend Chris. Lots of prayers for you, dear heart. God bless.
