

Christopher Fritz

March 18, 1953 - February 20, 2023

Christy Fritz was a good man who loved his family and his animals. Born in Reading, PA he moved to Florida later in life. He enjoyed traveling and camping and playing Mexican Dominoes with his sister, Ferhan, and Susan. He loved to go to the beach, and he loved horses. He enjoyed adoration chapel and his time as an altar boy. He came to love NASCAR later in life and he loved the smell of the oil and the excitement of the race. He was a fantastic babysitter and cared greatly for his niece and nephews. He had a profound impact on their lives, and was the best uncle anyone could ask for. He had a heart of gold and did countless things to show that love to his family, such as creating an entire lighted model cityscape of New York so Maryellen would always have New York close to her in Florida. Since he was a child, he always wanted to go to Hoover Dam, which he finally did 18 years ago when he was 65. He was a sharp dresser, and he was always in style. He was a hero to many.
