

## Christopher Hanegan

February 27, 1971 - July 8, 2021

Christopher Dean Hanegan born February 27, 1971 in Ocala, Florida to Clifford Hanegan and Martha Cassidy. He passed away July 8, 2021 in Marion County, Belleview, Florida.

In Chris' earlier years he loved to have paint ball wars with friends, go cave hunting, and torture his younger sisters, like most brothers do. He was known by many as "trash pockets", as he walked the area near grandma's house from school, he would pick up whatever caught his eye and stuff it in his pockets. He even requested bigger pockets from Mom whenever he got new pants.

He was a member of the marching band at North Marion High for 4 years and the VICA club, where he learned to love music and construction.

He learned how to be an electrician from an uncle and fell in love with the industry. He has been an electrician for over 32 years. In 2008, he started his own business and fulfilled his life long dream of owning his own business.

In his downtime, he loved to travel. He loved Tennessee the most, but has gone as far as Las Vegas. He loved the beach, not for tanning, but for the tranquility of it. Many a times he would send photos of how high the hotel was.

He also loved collecting different things, such as Florida State Memorabilia and liquor bottles in different shapes and Coca-Cola Memorabilia and anything that looks like a light bulb.

As a brother and son, he loved to make people laugh. Whether it was a simple joke or a dirty joke. He knew exactly how to make you laugh. He was also

very compassionate about different things. He always tried to make sure his guys didn't have to travel far from home to a jobsite and was willing to give you the shirt off of his back. Most say he would be full of hot air when he was mad, but everyone that knew him, knew that was he was a gentle teddy bear. He was well liked by other contractors and supply house vendors. He has left some big shoes for his sisters to fill. He will be greatly missed by family and friends and the construction industry.

He was proceeded in death by his father.

He is survived by his wife Correne, his sisters, Jennifer and Christina and Nieces, Melissa and Amber and Nephew, Jayden.
