“ *I met chris through working at capri's. He was a VERY good co-worker & became a very good friend to me as well as one of my best Miami Hurricanes team fans. There is so many jokes we have had together & shared. He was the guy I could talk to about anything honestly and he wouldn't judge you. He was a bright guy & when things didn't go right or when he seen you having a bad day. Chris would say don't let it get to you. Life is way to short Jen. I loss my brother last year and he was the first to call me & let me know if I needed a shoulder to lean on & if so I can turn to him. In fact. I still have that voice message still on my phone. Things won't be the same at work without him, sure going to miss our funny texts during the day. But I will carry on all the memories we have had together, jokes & conversations I had with you. I will miss you my friend until we meet again. Fly high <3*

“ I knew Chris since his birth, his Mom and I have been best friends for forty-two years. Unfortunately when the family moved to Ocala we didn't get to see each other as much as we would of liked. Cork and I talked on the phone to each other, and I lived Chris's life through his Mom. I would give the world to be with her and the family to celebrate Chris's life, but there are circumstances where it makes it impossible. Chris was a loving and wonderful Father and I am sure his son will have beautiful memory of their life together. I love you Cork, please take care and I'm here always for you.
