“ *The loss of your child is the most devastating experience a parent can face. The loss of two is unimaginable. Lynda my heart aches for you and you are in our thoughts and prayers. Chris you will always be in my heart and thoughts, NEVER forgotten! Someone I love has gone away And life is not the same The greatest gift that you can give Is just to speak their name I need to hear the stories And the tales of days gone past I need for you to understand These memories must last We cannot make more memories Since they're no longer here So when you speak of them to me It's music to my ears Bobby, Jeremy & Chris please speak their names. Our deepest sympathy for the family, Love, Kathy O'Brien & Family*

“ I have lost too many loved ones to speak of and I can tell you from experience that at the beginning, when I thought of them, I would just cry. But over time, when I thought of them, there would still be a tear in my eye, but also a smile on my face. So may the memories of Chris bring you all comfort at this very sad time. You all are in my prayers. With Love, Liz

“ You were always so respectful to me-- I can still hear your kind voice calling me "Uncle Tommy". Rest in peace Chris This was your Grandmother Flo's prayer card-- always makes me cry... "We sat beside your bedside our hearts were crushed and sore; We did our best to the end, 'til we could do no more. In tears we watched you sinking, We watched you fade away; And though our hearts are breaking, We knew you could not stay. You left behind some aching hearts, That loved you more sincere; We never shall and never will Forget you, Nephew, dear.

“ *“Unable are the loved to die, for love is immortality.”Chris was my brother and I loved him, but grief is the price we pay for love. I grieve for my brother, I grieve for his mother, my father, my sisters, I grieve for the whole family, but most of all, I grieve for his smart and beautiful daughter... “That though the radiance which was once so bright be now forever taken from our sight. Though nothing can bring back the hour of splendor in the grass, glory in the flower. We will grieve not, rather find strength in what remains behind” I Love you Chris, I will miss you, but never forget you.*

“ Chris God looked around his garden, and found an empty place. He then looked upon the earth and saw your road was getting rough And the hills were hard to climb. So he closed your weary eyes. put his arms around you, and lifted you to rest. He blessed with the gift of designing and planting beautiful gardens on earth now he needs you to tend his gardens. I feel so truly blessed that you created such a beautiful garden just for our home, that we can look upon everyday to honor your memory. Jesus, your grandparents, brother, nephew, and Jackie are there waiting for you with open arms. We love you Mom, George, and Daughter Suzie

“ My little brother, Words cannot begin to express the hurt in our hearts that you have left us way too soon. It brings me peace that you are in Heaven above at the side of our big brother. Watch over and protect your beautiful daughter from above and be her Guardian Angel. I will miss you deeply, you are forever in our hearts. ~Love You~ Big Sis Janeen
