“ *Chris and I lived in neighboring communities, rode the same school bus and worked at Winn-Dixie together. We spent our middle and high school years together. When he left Lake Weir High to go to Ocala Christian Academy, I followed in his footsteps. He protected me at social gatherings and always looked after me. he was one of my best friends for the longest time. Although Chris and I lost touch over the years after I moved away, I never forgot him. He left a lasting impression with me and he will forever be a part of my memories. Chris....you will be missed :(*
