“ My mom (Sheena) and I were so sad to hear about Cindy passing. I can still remember playing with her at a young age at her house and the hunting camp. If Ann were to read this message my mom would like for her to contact her at 423-512-0619 so that she can go visit her. God Bless the family during this difficult time.

“ Thank you so much for everyone's condolences. We are all hurting so bad, but it does give us peace knowing how much Cindy touched all of our lives in some way. She was such a good hearted person who did love us all very much. I do feel comfort knowing she is at rest with our other loved ones that have gone on before us. It is so good to hear from so many of you that I havnt seen or heard from in so long. I hope you all are doing well. Thank you to those who were able to be there at the viewing and the funeral. It was so good to see all of you. We needed you all-- and you helped my family get through those two very difficult days--- we will always be grateful to you!!! Please keep Cindy in your hearts and the memories you shared with her. I know my sister would be grateful for all of you being there for us through this very difficult time. We love you all!!!!
