“ *Clark was such a funny guy with a heart as big as Texas. I know how much his siblings will miss him, losing a sibling is like losing a piece of you heart. However in time that broken piece becomes mended, because he will always be right there within in the spot cause he never left you. Be sure to always share your memories of him with each other ! Those memories will always bring a smile to your face and maybe a hearty laugh or two. I am so very sorry for your loss i hope you will be comforted that he is with your Mom snd Dad and Lynne.*

*Love, Hugs, and prayers to all of you, i have wonderful memories of our families enjoying 2 weeks a year for several years at Clayton Cottages. Not to mention all the memories at Lynne's and Jeff's when we all moved to Texas about the same time❤️*
