“ *I will always remember how beautiful she was. She always had such a glow to her face. I also know she had the most beautiful christmas tree I ever saw. It was white with all pink ornaments on it. (That is why We sent pink flowers) i just loved it and have always wanted to do one but never have.Love and Hugs! Just remember Memories last a Lifetime!*

“ *Her laugh..that is something I will never forget. I can still here it! Memories of the laughter, and her saying "Stop Ron" and the whole family mimicking her with "Stop Ron" yes, her laugh...that was the best. I know she will be missed, but I know a few folks she's with now...and I bet they are laughing. I Love you all*
