“ I love and miss you so much it hurts so bad. I'm trying my best to stay strong, but it is so hard. You have always been one of the closest people in my life, and you've left a void that can never be filled. I thank god that you came to NJ for the holidays this year and gave me more memories. We were already planning our Disney trip this summer with you guys...I don't even know how to explain this to Michael and Ryan. They love you so much, Miriva loves you, I love you. I miss you so much. Rest in peace. Your favorite nephew,
Richie
