“ *Connie was the sweetest. In a family that hated me her and Gary would always check on me to see how I was doing. When I went to college I received a heartfelt message from both of them saying how proud they were of me. I felt loved by both of them and not judged on past mistakes. Both her and Gary are greatly missed.*

“ *I remember the 1st time (32+yrs ago) when Bill and BigDavid took me out in the country met Gary and Connie. They were one of the sweetest couples. Treated me like family and didn't know me.*
