“ After John (Benoit) died I wished that we lived closer than Wisconsin, but since we didn't we would make sure that we called every couple of weeks to see how Corinne was doing. We felt that because of her good care, John lived a longer life. We would share what was going on with the grand kids, and discuss how much different our weather was from hers. She was kind enough to make me pot holders and even a Christmasy wall hanging that I still have today. She was such an accomplished seamstress! The last time we talked was after she had broken her hip, yet she sounded good. Now she can be taken care of in the best way ever! We send our love and comfort to one and all.

“ My Mom was my best friend. My brother Tom and I talked often about how blessed you have been to have our Mom for 93 years. Her passing will leave a great void in our hearts, but the joy of her being with the Lord far outweighs any sorrow we feel. There are no words to express our gratitude to all her friends who have offered their prayers and concerns during her time of illness. Thank you for your love and concern. She felt your prayers each day, and your cards and calls lifted her spirits. These are priceless gifts no matter how small they may seem. Mom, I know you are in the best place ever, and free from all pain and suffering. Now I will continue to pray this scripture we shared together, "Be Strong and courageous. Do not be afraid or terrified, for the Lord your God goes with you; he will never leave you or leave you. Deuteronomy 31:6

“ I was so blessed to have Grandma Corrine in my life. She used to make me the most beautiful clothes, take me to the movies and have me over for funfilled sleep overs. Her cooking was wonderful, I thank her for giving me the love of bread! Everytime I went to the house there was a large basket of rolls out for dinner! She was a wonderful grandmother to me and great grandmother to my children.....Austin, Carson and Mara. After moving back to Michigan she never let a holiday go by with out a beautiful card and a letter telling us of the goings on around Spanish Oaks, it was my Disneyland when I was little so I always loved to hear about it. Thank you Grandma Corrine for all of your love and smiles. I will always love and remember you. We love you Grandma Corrine xoxo
