“ Our sincerest sympathies to Nancy and the children. Craig was always a nice guy when I first met him when his folks owned Wilburs in St. Joe. He was always ready to help when we set up tables and canopies here at our house for class reunions. He was our engineer and we loved to tease him and he loved to give it right back to us. We all will miss our friend and classmate, and our best to Nancy and the family in the future . Stan and Sally
