November 20, 1920 - February 5, 2021

Curtis L Hadley was born on November 20, 1920. He celebrated his 100th birthday at Pacifica Senior Living last year during the Covid-19 Pandemic. Curtis was the son of Gloyd and Mary (Swindler) Hadley; one of six children (Norman, Enos, Nadine, Pat, and Junior). In 1942 he married his beloved wife of over 60 years, Mildred "Midge" (Foy). During World War II, he was inducted into the US Army Air Corps. He earned the rank of Sergeant and was stationed with the Army Air Force Base Unit in Homestead, Florida before receiving an honorable discharge in 1946. He subsequently worked as an aircraft mechanic for American Airlines, Riddle Airlines, and Northeast Airlines before working for and retiring from Southern Bell. After his retirement Curtis and Midge moved to Oak Run in Ocala where Midge predeceased him in 2003. Curtis was known for his humor, kindness, and his gentle nature and was cherished by his family and his many friends at Oak Run. He is survived by his four children and their spouses: Mary Lynn Rupp (Chip), Sharon O'Donnell (Jerry), Curt Hadley (Fran), and Maureen Bell (Jack), 13 Grandchildren, 31 Great Grandchildren, dear friend, Mary Brandt, and sisters Pat Dirks and Nadine (Ray) Smith.
