“ Cindi was my cousin/sister. I grew up with her and cannot imagine life without her. Dee Dee and Cindi recently visited my mom; their Aunt Jane; and Cindi spent the night at my house. It was wonderful spending quality time with her. I asked her during that time if she knew Christ as her personal Savior and she said that she did and if she ever died that she would be in heaven with her mother. I know she is in heaven with her mother getting to know her and looking down on her entire family with love. We will miss her severely. We love her with all of our hearts. Be at peace "Cuz".
