“ Dan we all love and miss you....your in a better place now.... No longer suffering with your medical conditions. You were a awesome person, loved by many, you were a great friend, anything I needed you tried to get....but you sucked as a roommate...LMAO...you always had all kinds of unnecessary things throwed everywhere, but me and Ruben learned to deal with it because that's what friends do. I hate that your gone. R.I.P. Daniel Sean Harding ( Dan the Man )
