“ *Dear Barb, Rich and family, Thank you for the pictures. I love Danny's smile. We want to send out our love to everyone. Give Uncle Bob a hug for me. I remember Danny at Uncle Donald's, just one of the kids in the tractor or running around in the yard. He grew up to be such a handsome man with a beautiful daughter. We will keep all of you and Dan in our prayers. Love, Judy and Don.*

“ *We remember Danny as a very happy boy, he grew up to be a fun loving, kind and respectful adult. He is a tremendous loss to all the family, all those close and who loved him. Our daily prayers are for him, his family and friends. WE ARE SAD. My sister Betty (Dan's maternal grandmother) was spared this heart wrenching loss as she passed away in 2000, but I know she has welcomed him with open arms in a better place. Rest in Peace Dan. Our Love, Shirley and Chuck*

“ What a beautiful remembrance of Danny. The pictures of him as an adult reflect the same beautiful smile he had as a little boy. I have not seen him in a long time, but I will never forget his joyful spirit. We will continue to pray for the whole family. Our deepest sympathy to all of you. God Bless, Moe, Chris and the boys

“ I will always remember him as the happy & very gifted and talented gentleman that I seen in him from the first time that we met. He was the best friend that anybody would ever want. He will be missed by many and all that met him. He was the friend that you always wanted to have around you! He will always be in our hearts, thoughts, & prayers. I pray that he has found enlightenment & serenity. May God Bless his family and all that have been bless by his presence with him.
