“ Although we were 22 years apart in age, my brother Dan was still a big part of my life. He was the dashing sporty brother, driving the MG Midget, performing in a musical group, golfing with the best at the annual Greater Hartford Open PGA event. And a great sense of humor right to the end. Some of my best memories are of our annual family gathering at his home on Hidden Lake in Higganum, where my bride-to-be first met much of my extended family. My sincere condolences to Shirley, Mark and Leslie.

“ My brother, Dan, was a charming Irish soul who brought laughter wherever he went. He had a beautiful tenor voice and whenever he sang "O Danny Boy," he brought tears to my eyes. He was not only intelligent and handsome, but he was a great athlete who played baseball, basketball, tennis and was an awesome golfer over the years. I am so grateful for all the memories over the years and the gift of time we shared together.
