

Danny Clark

April 1, 1955 - October 26, 2024

We are gathered here to celebrate the life of Danny Clark, who left us on October 26, 2024, after a life filled with laughter, love and adventure.

Danny was born on April 1, 1955, in Pikeville Kentucky and spent his days making those around him smile with his quick wit and infectious sense of humor. Danny is survived by his Wife Lisa Clark and 3 children Cristi, Danny Jr, and Tyler, who all grew up to give him the joy of being a grandfather nine times over. He now joins his oldest son David in eternal peace.

When Danny wasn't busy spending time with his family, Danny could often be found indulging in his favorite pastime of playing with his grandchildren, who brought endless joy and laughter into his life.

While we will miss Danny dearly, we take comfort in knowing that he is now reunited with loved ones who have passed before him, and that his memory will continue to bring laughter and smiles to all who knew him.
