“ *Mr. Chuck and Mike, There's no words for these types of situations. I'm just so sorry for the loss of your son and brother. I hurt for you. As you both know Darin had been my closest friends for many years. He ALWAYS protected me throughout all the years were close. I feel so blessed to even say that I knew such an amazing guy. I will forever cherish all the memories we made. I've already missed him for years, but now I miss him with more pain and hurt then words would ever be able to describe. May he R.I.P*
