“ I'm so sorry for your loss. I will always be thankful for Aunt Darlean ( I do know she was technically my cousin but I was raised as her always being my aunt.) She took me when I was in foster care when I was young when no other family member could or would. She always had something sweet and kind to say about everyone. Heaven definitely has another angel up there. My thoughts and prayers are with Darby, Emma, Timmy, John, Dave jr, and all her grandchildren, and great grandchildren.

With my deepest sympathy,
