“ I only just discovered that Dave had died. A great chum in high school and before. He "adopted" our family. Came over for Christmas, and came before dawn to play croquet before we went to school.

“ David Bullock gave me a wonderful opportunity to play tennis for CFCC, and I learned so much from him on and off the court. Looking back I only have good memories of the time I shared at CF with Coach Bullock, and I will forever cherish them. I wish his family peace and strength during this difficult time, and I will keep you in my prayers.

“ I will forever be grateful for the wonderful opportunity Coach Bullock gave me to play tennis for him at CFCC. I spent two of my best years on his team and walked away a better person because of all his dedication and commitment. He was always encouraging and we shared quite a few laughs. May he rest in peace and may his family find comfort in this difficult time.

“ Linda, Don and I want to offer our sincere sympathy to you and the family. We don't get the paper but found out about David from Belinda Wood's, Chuck Wood's wife. We were shocked about the news, Don said, he last talked with Dave around election time This reminds us how fleeting life is and we should never take life for granted. Please let us know if we can ever help out, our prayers will continue for you and Chris and Brian. For now we pray you feel the peace and love of The Lord being poured out for you. In Christ, Don and Rebecca
