“ I worked with Linz, for 13 years, and he was my kind of supervisor, "He wasn't a mystery" you knew where he was coming from. He gave me an opportunity to work in areas that enhanced my career. Mrs. Linzmaier "We All Loved Linz, but God Loved Him Best!" The Bible Says, To be Absent from the body is to be present with the LORD!" Linz is now in charge of Heavens Administrative Shift. We will miss him.

“ Lt. Linzmaier was a great guy to be around at Marion. He always knew how to put people at ease. My Wife and I both also got the great privilege to meet him a couple of times outside of work. We were blown away to find out he was also originally from Michigan. I will always remember all of the great laughs we had at work, and dont think that Marion will ever be the same again without him there. He definitely had a positive effect on everyone around him.

“ *In very few people do you find such a sense of honor, duty, and humor. Linzmaier was one of these few people. I only hope that one day, I could live up to the example he has set for the people he led. Thanks for the lessons in both life and work. - Jimmy.*
