“ Although I was not as close to David as my father was, I can say that he was a great person. David took me on my very first trip in the Gulf of Mexico and even though I still got sea sick, I had one of the best times of my life. David and Lisa are two of the sweetest people I have ever met and even though David cannot be with us now, he will always be in our hearts. "Captain Dave" was a very special, inspirational individual to not only to us (Hunt family) but to many others as well. He will be greatly missed by my father Steve (Grouper), Kim, myself (Morgan), as well as my brother AJ. We love you Lisa Lowman!

“ Lisa, It has been very touching to meet some of the people that David made an impression on through the years. The stories that have been told will go on forever and we will remember him in our hearts and our minds. You don't get over it, you just get through it. Your don't get by it, because you can't get around it. It doesn't 'get better'; it just gets different. Everyday... Grief puts on a new face.... Love, Bev & Jim
