“ Debbie was an amazing person. In the early 1990s, I spent many weekends at their house in Tavares, doing long runs and rides. She was always a gracious and fun host. We had some great time that I will cherish forever.

“ Debbie was my sister's host mom during her international students exchange program, after a very sad experience my sister had in another host family. Me and my parents will never forget her kindness, sweetness, caring and support to her during that difficult time. Debbie together with Don gave our family peace and a testimony of love and good hearted people.  
Don, please know that you and Deb, will be forever in our heart and prayers.  
Rest in peace sweet Debbie, God Bless

“ Debbie will be so, so missed by us! We share so many memories over many, many years. They will never be forgotten! If we could have one more moment with Debbie I would tell her "how important, smart and beautiful she is and how she was such a genuinely true friend to both of us and we love you dearly. Debbie, we always admired you for your energy and down home goodness. We just felt comfortable with you Thank you Debbie for loving our grandchildren on the many camping trips we took together with them. We love you and will remember our times together forever." Until we meet again, Joe and Linda

“ I will miss my sweet friend, she was always full of life. My camping and walking Buddy. She always knew where the best deals were, and shared great recipes. There is no greater memory for me, as I can still hear Debbie's laugh. Don you were a wonderful husband and best friend to Debbie. I hope it is a comfort to you to know how much She meant to so many.
