“Denise and I worked together for the past 2 1/2 years but it felt like we knew each other forever. It is truly a blessing to have had her as a friend and a teammate. She shared such feel-good energy in person or by phone because she was so happy & passionate about everything she believed in and always wished the best for everyone she knew. I already miss her calls or text msgs and hearing about so many special moments she had with her family and the funny things that happened in her day.

Denise will be in my heart & memories forever and every time I think of our conversations it puts a smile on my face.

RIP Denise Martinez ❤️ “I’ll keep walking down memory lane because I love running into you”.
