“ No words can ever describe my sorrow for your passing. In all the time I worked for you, your quick, sarcastic humor was well balanced by the inherent kindness, support and understanding that you gave to me when I needed it most. The good times far outweighed the bad, the laughter far outweighed the tears. We were a family of choice for those twenty two plus years. Needless to say, you were the best boss and friend ever. I will miss and cherish you forever.

*With deepest love and affection...Penny*
