#### ANNOUNCEMENT

Please consider getting vaccinated against the Covid-19 virus if you have not

already for the sake of your loved ones. Ricky was taken all too soon from us all. It is our sincere prayer no one else loses a family member or friend to this deadly virus.

Due to safety concerns with the ongoing pandemic, the family has elected not to have a Repast following the memorial service. Thank you for your understanding.

### A NOTE TO DAD

I will always love you Dad.

I now have an angel I can call by name. My father was a great man. He was a great warrior. He had such a big heart. I admire him for all those things. But I love him because he was a great father. You were always there when I needed you. You always had my back right or wrong. A lot of times I was more wrong than right, but you didn't judge, you tried your best to teach me and show me how to be a man. Everyone loved you. I loved you. Your granddaughter loved you. My mom loved you. My sisters loved you. The love we have will last forever and your light will continue to shine through us. You are the funniest, smartest, most caring person I know. I love you forever and always. Keep an eye out on us. My hero, my Angel, my Dad.

“ *Ricky, this is one of the hardest things that I have ever had to deal with! Not being able to wake up to one of your crazy text messages or one of your calls in the middle of the day, that was always right on time, will take some getting use to but I know I have to get use to it. You were one of my best friends/cousin and you never failed to check up on me and make sure I was doing okay! Cousin! Cousin! Cousin! You will missed so much! I Love You To Life and I always will! Gone way too soon but you will NEVER BE FORGOTTEN!! Until we meet again! Make sure you continue to watch over me! Love you always! Your Little Cousin Ganesha*
