“ *Diana We have been through a lot of fights, hugs, tears, laughter, good times and bad. But we always had the same goal, what was best for Fred. Well I would say we achieved our goal...what a great man he became. But just in case we are not finished you keep an eye on him and Alexis from up above and I will continue down here. It breaks my heart you went through so much. You loved life and it should not have been cut so short. So rest in peace my friend you will be missed. Godspeed*

“ *Ma, in my 20 years of knowing you, you always made me feel loved and accepted. We've had many serious talks, cried together and laughed so hard we cried. Alexis loved being with you and enjoyed your cooking (as I did too). I miss you and will always hold you close to my heart. Love you ma, always and forever.*
