“ Tony, Jackie, Terry and Julia, Ed and I are so sorry for your loss. Your Mom (Dee) was a lot of fun. Ed and I remember all our times in Las Vegas and of course Florida. Before my time Ed and his late wife, Mary, enjoy many happy family memories with all of your children. We were so sorry that we were unable to attend Dee's services because we were traveling, but we are both grateful that we were able to visit with her before our departure from Florida. Prayers are with you all, and pray that when we return in to FL in early January we can see you all. Please take care of your Dad. Love forever, Laura and Ed Kaczmarek.

“ On today, a sad day that we say good-bye to former president GHW Bush, we are even sadder because we must personally say our final good-bye to Dolores, our neighbor and friend. Thanks to Tony and Dolores and other family members for the times we shared fun and food and friendship.
