“*Dom Vallone... He was a terrific guy. When I first started teaching in Sayville, it was Dom, Jim Schnell and Bob Hazen. That's who I emulated. Dom would even at a late age, stand on his hands and walk the whole gym floor. He could do anything physically, and talk stocks and bonds with the best of them. Terrific baseball coach and terrific man. We all will miss Dom Vallone.*

“*Fond memories of Dom's geniality and humor. I still occasionally recite the poem he wrote wrote in my SHS graduation autograph book. We were fortunate to have grown up across the street from him and Marge and you girls. He and you were a happy part of our lives.*
