“ My dear brother we may have been seperated by a miles and states but not by thoughts and love. We were close growing up had a lot of wonderful memories, playing football, building tree houses, swinging on the vines. Etc... we shared a lot of laughs on the phone and a lot of stories between us. Till i see you again and we hug at the gates of heaven i love you now and always

“ Yvette sorry for your loss. Donna, TJ and Christopher, No words can express how sorry I am for the loss of your dad and what you all must be going through at this time. It has to be so hard on all of you. Your dad loved you all very much. He is apart of each and everyone of you. Cherish the memories you have of him, remember the good times, the laughter, and the love he had for you. He was proud of his children and loved his grand-children very much. Continue to make him proud even in heaven. May you all find comfort during this difficult time and may God give you the strength to get through this. May your dad rest in peace! Love Aunt Barb
