“ I will always have wonderful memories of my Uncle Don and his wife, Aunt Joy and their three lovely daughters, Rebecca, Deborah and Mary. What great times we had, even if they were few in number. The sense of love and warmth Uncle Don exhibited to us will keep our memories of your family alive for years to come. His sense of humor and the way his laughter would just explode all over his face was a sense of wonderment when I was small. Now as an adult, I know that it was his joyful feeling of life that was obvious to see: his love of laughter and love of his family was predominant in his live. What a legacy to keep! My family will keep all of you covered in prayers, now and for a long time coming. I know that my Dad, Bob and my brother, Bobby and Jackie, my step mom and my Mother, Hespie welcomed him in Heaven and are reminiscing a lot right now. What memories they are making for us to experience with them when we all get up there! Know that you are deeply loved and I regret that my job couldn't let me come to you. In time, we will get back to Florida and I will see ya'll again. Love, Your cousin, Penny & husband. Jim

“ Although I did not know Mr. Gillette, I went to school with Rebecca for many years in the 60's and 70's. My heart grieves for the death of her dad, but I know that he is sitting at the right hand of Our Father watching over us and keeping his family safe. My condolences to her and her family. God Bless You!
