In Ocala, he spent more than 20 years working as a starter at Ocala Municipal Golf Course and later at Pine Oaks Golf Course. It was a perfect retirement job for him, giving him daily opportunities to talk with many golfers. Most of his life was spent in and around Ottawa, Ohio, before moving to Ocala, Fla, in 1987. “ *I can remember Mr. Lammers joking around with my dad about tee times. He would tell my dad that he was late or something and they would have all kinds of horseplay with that...Mr. Lammers was a great guy and everyone loved him at the golf course. I remember one day when he and Rudy played a prank on some guy about his tee time...We are sorry for your loss, Dr. Lammers. May you dad RIP!*
