

Donna Cline

September 11, 1962 - May 28, 2020

Donna Marie Durbin Cline, 57, a lifelong resident of Ocala, Florida, died unexpectedly on May 28, 2020. Donna is survived by her children, Kirstie Marie Oglesby and Nellie Elizabeth Fike, her father Roger L Durbin, her siblings Dale Durbin, Neal Durbin, Quent Durbin, Marlon Durbin and Natalie Durbin Young. Donna was born in Bardstown, Kentucky on September 11, 1962. She spent her early years in Kentucky where in 1980 she was married, and blessed with Kirstie, her eldest daughter. After many years in Kentucky, Donna moved with her family to Florida where she worked as a caregiver for other people taking care of their loved ones. Donna was always sure to provide the most loving and compassionate care in a time of need. In 1989, Donna was blessed with another daughter Nellie. Her family was complete. Donna was a wonderful mother who was always sure to show her love to everyone she knew and was so proud when her daughters started having children. Her daughter Kirstie had two children, Katelynn and Austin; Her daughter Nellie had three children, Elijah, Aiden and Dixie. Donna adored her grandchildren and they were the light of her life along with her daughters. Donna would light up any room and was always the first one dancing when one of her favorite line dances would start playing. Most people will have memories of her singing, laughing, and dancing with her family while always enjoying the best things in life. One of her other pastimes was finding a bargain and anyone that ever saw her home would notice all the wonderful bargains that graced her walls and counters throughout the house. Her laugh

was infectious, and she loved to make others feel like they were part of the fun in anything she would do. Donna was a caregiver for her father, Roger, over the last few years after the death of her mother, Marie, along with her sister Natalie and brothers Dale, Neal, Quent and Marlon. Donna is now at peace and is singing in the clouds with her mother and all of the loved ones that have passed over the years. She will be greatly missed by everyone she knew and anyone that ever met hereven if for only a minute or two...
