“ He has joined my brother in heaven also, him and Donnie was in the 9th grade, I have a picture of them cutting up in class. Everybody in Ocala, around our(his) age group knew him pretty much. He was a good friend to everybody and he'll be missed by many, especially his family. May God give them the strength to get thru this difficult time. RIP my friend! Wendy

“ I met Donnie many years ago at E-1. He was a great person, and always good for a laugh. After E-1 we lost touch, although we did talk from time to time. I am very shocked to hear of his passing. Prayers to his family. It was a pleasure to call him a friend. Rest in Peace Fellow Dawg!
