“ *I am so sorry for your loss. We want our parents to live forever, and they do in our hearts, but our bodies last only so long and that is all determined by God. Sherri, every time you look in a mirror, you will see your mother (and father). They each gave a part of themselves to you so that they will live in our hearts and minds for eternity. May God Bless you and your family and hold you all in the palm of His Hand so that you will feel comfort and happiness knowing that your mother is with The Lord.*

“ Mike, your mom is a lovely lady. I'll always remember her fondly from our home group - a warm and caring lady. And I know that she's more alive now than she's ever been!
