“ As the first anniv of Dorothy's death approaches I'm sure this brings with it renewed grief and sorrow. To Robert and all family, thoughts and sympathies are still with you. Be the joy in each others' lives that she was in all of yours.

“ My favorite memories of Dorothy was how she was always smiling, happy, with a good sense of humor. Her Christmas letters had a touch of sarcasm and funny comments. It was sad when she left WI, but I know she was ready for retirement and a warmer climate with Robert to relax. When we would get together talk was sometimes about "the good old days" of early GE MR & updates about our kids. Dorothy was so very proud of Andrea. I will miss Dorothy greatly, and send a big WI hug to family and friends.
