“ I’m so sorry to have just found out. I was wondering why she didn’t reply to my last letter. Aunt Dottie was my Godmother since I was a baby. We lived down the street in Hialeah. She took care of me while Mom worked and I have fond memories playing with the girls. Uncle Bugs and I shared a birthday and I have shared letters with Aunt Dottie all these years.

“ Dear Unofficial Adopted Family,
This sympathy note was heaven sent to fill your hearts with much content. To let you know that God is there to listen to your every prayer. He's also with Dorothy this night, to let her see His holy light. And down those streets of gold she'll see His face through all eternity.

I shell miss Dorothy (Aunt Dot to me). Even when she was not well, she never forgot to send me a birthday card. I was always invited to family reunions and dinners in Cleveland and was always treated as family. This to me was an honor. I have missed this time as well as our, bowling days. I have many gifts around my home that came from her, Gram and Pop and I will always cherish them. Please know that your whole family will be in my prayers.

Heaven is the very heart of God saying welcome home. This time it is Welcome home my good and faithful servant.

Love and prayers from one who cares.
