“ *Dear Wallace Family... So very sad today to see the news that Dorothy had passed away. I remember Dorothy as a great Mom always worried and caring for her family and a dedicated, principled woman in her faith. She was so instrumental when growing-up and made camping, family and good times together so very nice. She made a wonderful chili when I was a young one. I always looked forward to having a nice plate of her chili, some saltine crackers and an ice-cold Coke while our parents played cards at the kitchen table. We were able to spend some time later on in life after moving back to Cincinnati from New England. We even had her come to one of our family reunions here because she was such a wonderful person to share life with. Gee, I know there comes a time when we will all go over to the other side but I'm very saddened to know that she is not here for us to see, share and care for. Please know that we loved your Mom very much and already miss her dearly. Love and family hugs for all, John Gallant*

“ My mother (Jane Johnson) and I have known Dorothy for a long time. We really miss her. She always had a smile and a chuckle. She was fun to be around. I also enjoyed regular auxillary pioneering with her. I remember how she loved to go for a drive in the country and take pictures of trees. Sending our condolences to the Wallace family as well. Looking forward to the resurrection to a Paradise earth when we will see Dorothy again all fresh and new.

“ Dorothy was so encouraging and supportive to me when we moved to Mt. Washington in the early 90's. I had only been pioneering for a year and she was a regular auxillary pioneer at the time in fact the only pioneer then. We spent many long days together. She was always so happy and would have probably been a regular pioneer but had to work to support herself so she did all she could. I will always remember her with great fondness and look forward to being reunited with her when she is well and resurrected and we grow young together. With sympathy and warm affection for her family I leave this message. Mary Jane

“ Helen & I would like to express our deepest condolences to the family also. Dorothy was always a regular fixture in our weekly activities. It's painful to know that she had to slow down and be absent for a while. Hopefully that "while" will be very short and we can be with her again soon. Warmest love, john & helen

“ I will miss mom. I loved her very much. She served Jehovah faithfully for years and I know Jehovah will remember her when he brings in the new System. I look forward to seeing her then and living forever in a Paradise New World. We had a lot of fun time as a family, and going to Conventions & Assemblies. her son Stephen Wallace

“ Mom will really be missed. We shared a lot of happy moments together. One of the moments I remember is when she came to visit us in Cincinnati and we stopped by and she surprised Nanny Lawson. She made Nanny so happy that day. Also Nanny had happy tears and so did we. I also enjoyed going out in Service with her and all the Convention and the Assemblies we attended. And while she was living here all the Meetings we went to with her. I also liked when she was living here, whenever she got off work she always called me up and asked if I wanted to go for a drive with her up the river, I always was looking forward to going with her on our drive up the river. We sat and talked and fed the ducks and geese. I look forward to seeing her again in the New System, where she will be young again. Your-Daughter-in-Law, MaryLynn Wallace
