“ Aunt Dorothy was such a special part of my memories, half mom, half big sister, and all Aunt. I’ll never forget her quiet strength, her no-nonsense way, and the fun she brought into our family. One of my favorite memories is her slipping me a \$20 bill before my first real date, such a simple gesture, but it showed her love and care. I’m grateful she left this world peacefully, listening to one of her favorite hymns. She lived a full 92 years, and her legacy of kindness and faith will always stay with me. I’m holding the family close in my thoughts and prayers.
